 GUBBIO – PERUGIA – PASSIGNANO SUL TRASIMENO – ASSISI – SPELLO – FOLIGNO – BEVAGNA – TODI – SPOLETO – MARMORE FALLS

Day 1

Arrive in Gubbio, the oldest city in Umbria. Visit this city that over the centuries has jealously preserved its medieval appearance reflected both in the physiognomy of the buildings and in the structure of the streets. We will visit Piazza Grande, Palazzo dei consoli, Palazzo Pretorio, Palazzo Ducale and Palazzo Bargello where is prominent the “Porta del Morto”, an architectural element typical of the Umbrian and Marche villages from which, according to legend, passed the coffins of the deceased. It’s possible to reach the Basilica of Sant’Ubaldo via the cable car that leads from the historic center to the Monte Igino. The Basilica, built on pre-existing medieval buildings, was enlarged from the beginning of the XVI century, when the construction of the convent and cloister dates back. The sober simplicity of the exterior contrasts with the richness of the interior with five naves and with semicircular apse. Transfer
