Cooking class from 08.30 to 12.30. In the afternoon transfer to Gubbio defined as "gray city", for the compact and uniform color of the limestone blocks with which this beautiful village is built. The town is composed by five parallel streets located at different levels and connected by steps, alleys and stairs; it may seem a vaguely "labyrinthine" structure but in reality here it is really difficult to get lost. Guided tour of the historic center with the Piazza Grande, Palazzo dei Consoli and Palazzo Pretorio, the Palazzo Ducale, the Basilica of S. Ubaldo, the Palazzo Bargello where to the left of the large door there is the "Door of the dead" an architectural element typical of the Umbrian and Marche villages. A high and narrow door from which according to legend the coffins of the dead and the fountain of the "Matti" passed. Return to the hotel dinner and overnight.
