Day 2

Breakfast in the hotel visit the city symbol of peace, which is identified with one of the most beloved and revered saints in the world, Saint Francis of Assisi, and is at the same time a delightful medieval town full of characteristic corners and typical cuisine. Full day dedicated to guided tours to discover the routes and stages made by the Saint. Lunch in the restaurant. Accurate visit of the Basilica of Assisi which consists of two superimposed churches and a crypt with the tomb of the Saint. In the Upper Church you can admire the cycle of the life of St. Francis, the work of the great Giotto, the Stories of the Old and the New Testament that cover the entire nave and other beautiful frescoes by Cimabue and Torriti. Guided tour of the historic center with the Piazza Grande, Palazzo dei Consoli and Palazzo Pretorio, the Palazzo Ducale, the Palazzo Bargello where to the left of the large door there is the "Porta del morto", an architectural element typical of the Umbrian Eucalipto and Marche villages. A high and narrow door from which according to legend the coffins of the dead and the fountain of the "Matti" passed. Lunch in the restaurant. In the afternoon visit the Basilica of Sant'Ubaldo, much altered over the centuries and now bare, reaching it with the cable car that leads from the center of Gubbio to Mount Ingino where the Basilica is located.
